Crystalline Series

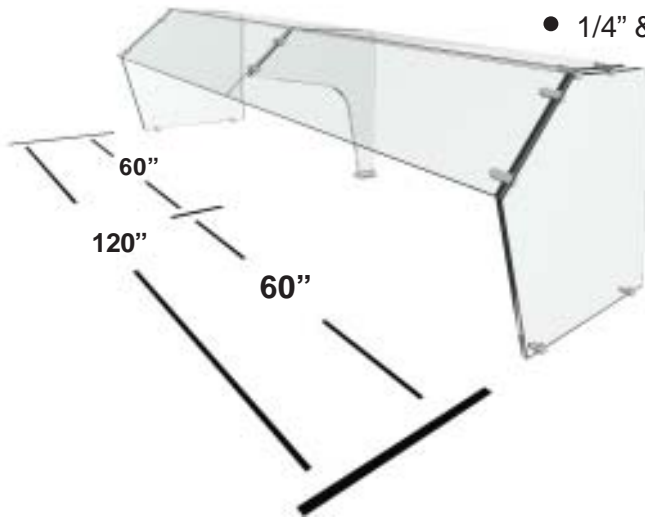

The Elegant Look of all Glass

Model: C128

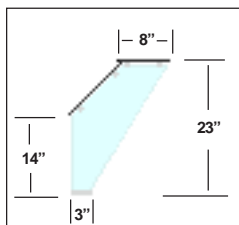

Class: Sneeze Guard - Self Service

Model C128 is Self Serve Sneeze Guard in our Crystalline Series featuring the all glass look. This sneeze guard is characterized by the clean 45 degree slope on the front shield and top shelf. These sneeze guards allow a maximum bay size of 60". The C124 has five styles of support which meet most any self-serve needs. Multiple bays units using our sculptured center supports provide large self service areas without ugly posts getting in the way. The C124 has a continuous smooth front shield. The C124 can be combined with the model C144 full service sneeze guard to make a seamless transition from self service to full service.

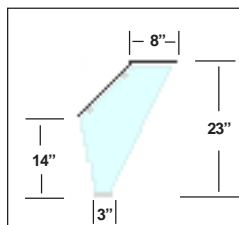

- Crystal Clear 1/2" Safety Tempered Glass Supports
- Large bay length (up to 60" between supports)
