Class: Food Shield / Sneeze Guard - Full Service - (10° tilt)

Model C152 is part of the Crystalline Series featuring the elegant all glass look. The C152 Full Service Food Shield (sneeze guard) is characterized by the 10° slant of the front shield and have a top shelf. They may be used on straight or curved counters to meet your specific needs and are available in 1/4", 3/8", or 1/2" safety tempered glass. The C152 allows a maximum bay size of 84", eliminating the need for middle support posts to span most steam or prep tables. Multiple bay units have a continuous smooth front shield and top shelf. The C152 can support the option of removable mid shelves. Custom sizes available. Always review your sneeze guard plans with your health department.
