

Model C224 is a Self Serve Island Sneeze Guard in our Crystalline Series featuring the all glass look. This island sneeze guards are characterized by the clean 45° slope on the front shields. These sneeze guards allow a maximum bay size of 60" and various widths to fit the counter top. The C224 family has five styles of support which can meet most any self-serve layout needs. Multiple bays units using our sculptured center supports provide large self service areas without ugly posts getting in the way. Our multi-bay sneeze guard systems have a continuous smooth shields and top shelf.
