

Model C230 Self-Serve Island sneeze guard is similar to the C130 Self Serve sneeze guard except that it is approachable from both sides. This guard is part of the Crystalline Series featuring the all glass look. This model is characterized by the flat top shield. Designers love the all glass look and the clean low profile of this guard. The shield is supported 13" above the counter and meets NSF requirements. The maximum bay size for these sneeze guards 60", and custom sizes and shapes are available. The C230 has five styles of support which meet most any self-serve needs. Multiple bays units have a continuous smooth top shield.

- Crystal Clear 1/2" Safety Tempered Glass Supports
- Large Bay Size (up to 60" between supports)
- Six Standard Support Styles
- Easy Assembly
